

CARDNET

DIGITAL ORDERING SOLUTIONS

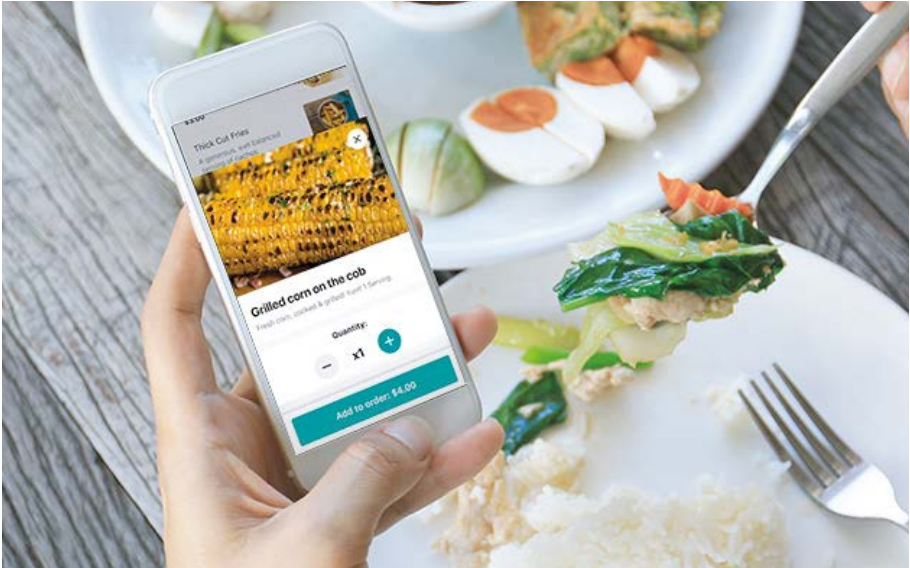

Give your customers more ordering and payment options and help increase your revenue, consumer loyalty and operational efficiency.

Provided by

LLOYDS BANK

QikServe provides businesses with branded mobile and online ordering platforms as well as in premise ordering and payment solutions utilising QR code technology. The options can be provided to suit individual requirements, with flexible and customisable solutions to help realise business goals.

Key Features

- QikServe work with you to design the ordering options best suited for your business to connect with customers.
- Via your personal dashboard you can update menus in real time, track orders and see repeat customers.
- Using your bespoke solution you can push notifications and loyalty promotions.
- If required, you'll be able to offer customers the option to collect or request delivery of products.
- QikServe support you with marketing and staff training to help you make the most out of the solution.

Key Benefits:

- Commission free orders.
- Entirely your own brand.
- Communicate directly with your customers.
- You're in control with a self-managed solution.
- You have the data to inform your business.

QikServe support in customising and setting up your solution to work best for your business.

Through QikServe's support and joining process, you are provided with the tools to reach new customers, offer loyalty to those who keep returning and increase operational efficiency.
